

Residence Permit Process for International Students

Individual Application Requirement

International students are required to submit their residence permit applications individually. To apply, you must first make an online appointment: <https://e-ikamet.goc.gov.tr/>

Post-Appointment Procedures

After making the online appointment, the necessary documents must be prepared with the support of the International Relations Office and presented at the Migration Office on the scheduled appointment date and time. For location details, visit:

University's Responsibility

Izmir Tınaztepe University cannot apply for or renew the residence permit on behalf of students.

Residence Card Delivery

Once the residence permit is obtained, a copy of the residence card should be submitted to the Student Affairs Office.

Monitoring Validity Period

The expiration date of the residence permit must be carefully monitored, and extension procedures should begin at least 1 month before the permit expires.

Departure After Graduation

Even if the residence permit covers the period after graduation, students are required to leave Turkey within 10 days after graduation.

Student Responsibility

All processes and procedures related to the residence permit are the student's responsibility.
