¹ Adaptations of this template:

- In case the mobility combines teaching and training activities, **the mobility agreement for teaching template** should be used and adjusted to fit both activity types.
- In the case of **mobility between Programme and Partner Countries**, this agreement must be always signed by the staff member, the Programme Country HEI as beneficiary and the Partner Country HEI as sending or receiving organisation. In case of mobility from Partner Country HEIs to Programme Country enterprises the last box should be duplicated to include the signature of the Programme Country HEI (the beneficiary) and the receiving organisation (four signatures in total).

² **Seniority:** Junior (approx. < 10 years of experience), Intermediate (approx. > 10 and < 20 years of experience) or Senior (approx. > 20 years of experience).

³ **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport.

⁴ **Erasmus Code:** A unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education receives. It is only applicable to higher education institutions located in Programme Countries.

⁵ **Country code:** ISO 3166-2 country codes available at: <https://www.iso.org/obp/ui/#search>.

⁶ Any Programme Country enterprise or, more generally, any public or private organisation active in the labour market or in the fields of education, training and youth (training of staff members from Programme Country HEIs in Partner Country non-academic partners is not eligible).

⁷ Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the sending institution (in the case of mobility with Partner Countries: the national legislation of the Programme Country). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
